DOMAIN: ENGINEERING AND TECHNOLOGY

**INTERNSHIP-I
GUIDELINES**

Domain - Engineering & Technology

NTCC CALENDAR OF 2026-27

Course Title: Internship-I

Course Level: UG/UG+PG

Programme: B. Tech & Intg. B.Tech+M.Tech

Credit Units: 01

Course Code: ETIN 101

S. No.	Particulars	Tentative Dates
1.	Institutional NTCC Committee Meeting preparation for NTCC Commencement	Complete all the activities during Even Semester (up to 9 th March 2026) (Mon)
2.	Faculty Guides will provide broad Area of Research and List of NTCC Topics/Challenging Problems	
3.	Institutional NTCC Committee to compile the Broad Areas and List of NTCC/ Topics/ Challenging Problems, to be communicated with the students.	
4.	Uploading of list of NTCC Topics/Challenging Problems alongwith the Faculty Guide for students to choose from	
5.	Students Summer Internship / NTCC Orientation by HoIs	
6.	Interaction with faculty and submission of Summer Internship / NTCC Topic/ challenging problems by the students.	
7.	Allocation of Faculty Guides by Institutional NTCC Committee/HoI	
8.	Allocation of Faculty Guides for late confirmed NTCC	
9.	Interaction with Faculty Guides for submission of Summer Internship / NTCC details.	
10.	Briefing Session for Students by HoIs	16 th March (Mon) to 20 th March (Fri) 2026
11.	Registration of the students on Amizone for Summer Internship/NTCC (Within 14 Days prior to the date of commencement of the Summer Internship/NTCC)	18 th May (Mon) to 1 st June (Mon) 2026
12.	Commencement of Summer Internship / NTCC	1 st June 2026 (Mon)
13.	Online Uploading of NTCC Synopsis, NTCC Offer Letter and Name of Industry Guide by the students. (Within 7 Days Post NTCC Commencement dates)	8 th June 2026 (Mon)
14.	Online Uploading of 1 st Weekly Progress Report (WPR) (As per online provisions, after End Date of a week, students get Three (03) more days to upload Weekly Progress Report (WPR) on Amizone)	8 th June 2026 (Mon)
15.	Weekly Online/Offline Interaction of Faculty with students and their industry guide (if any) for feedback and guidance.	At least once a week
16.	Completion of Summer Internship / NTCC	3 rd July 2026 (Fri)
17.	Online Uploading of Final NTCC Report and NTCC Completion Certificate.	20 th July 2026 (Mon)
18.	NTCC committee meeting to review the work and access eligibility of students to be recommended to CoE office	23 rd July 2026 (Thu)
19.	Submission of Proposal to the Examination Department for conducting NTCC Viva-Voce by the institution.	Within 14 days of Uploading of NTCC Final Report and Completion Certificates due date
20.	Date of Evaluation of NTCC	As per block calendar of AY 2026-27

AMITY UNIVERSITY
— UTTAR PRADESH —

Domain of Engineering & Technology

Course Title: Internship-I

Course Level: UG/UG+PG

Programme: B. Tech & Intg. B.Tech+M.Tech

Course Type: Non-Teaching Credit Course (NTCC)

Credit Units: 01

Course Code: ETIN 101

Pre-requisites: Knowledge of Basic Science and Engineering Science

I. Introduction:

An “Internship-I” is a technical paper written by students during the summer break. Students are expected to describe a topic, a concept, to put forth in a logical manner. The topic selected for the Internship-I should be relevant to the course curriculum.

II. Course Objectives:

The main objectives of Internship-I are:

- To prepare the students to study systematically in order to write clearly and comprehensively about a topic/issue. Also, to enhance the students’ ability to deliver written and oral presentations.
- Experiential Learning outside classroom through self-exploration, experience, design projects etc
- To provide possible opportunities to learn and understand the real time technical/research skills
- To provide exposure to the current technological developments in the relevant field of engineering.
- To provide opportunity to learn new skills and supplement knowledge.

III. Course Learning Outcomes:

- Gain experience in writing technical reports/projects.
- Explain and present technical and research findings.
- Collect and analyze information in a logical manner.

IV. Guidelines for Conduct of Internship-I:

Internship-I will be of duration 4-6 weeks for B.Tech programmes of Engineering and Technology Domain which includes one (1) week of topic selection and synopsis preparation, and one week of report preparation. A separate NTCC Calendar for Internship-I will be circulated among the students. Work carried out under NTCC/SIL should be converted into published paper / book chapter/ patent / copyright.

A briefing session for all the students and concerned the faculty guides will be organized by the institutions well in advance so that the students and faculty guides are able to prepare well and proceed for the course as per guidelines. It will help the students to finalize the broad area of work of NTCC/SIL. The Guidelines for concerned NTCC / SIL must also be uploaded on AMIZONE for students and faculty guides.

A. Roles and Responsibilities of students:

- Students must register for NTCC/SIL within seven days from the commencement of the NTCC/SIL work on time and to avoid late fine due to delays.
- Student shall attend NTCC/SIL orientation conducted by institutional NTCC/SIL Coordinator /HOD/HOI.
- The student shall begin the final draft in the last week of the NTCC under the guidance of their supervisor.
- The student shall read the NTCC/SIL guidelines thoroughly.
- The student shall discuss the research area and title with respective faculty guide to prepare and submit synopsis within one week of NTCC/SIL commencement.
- The student shall maintain diary entries for all meetings with the supervisor and guidance received on the selected topic. These diary entries are to be submitted to respective faculty guide along with final report.
- Act responsibly and professionally during fieldwork /industry internship/work in external labs etc.
- Make use of AUUP guidelines / regulations to plan and monitor progress of the NTCC, to maximize the benefit of tutorial support, and to implement the feedback and approved action plan for development of the project.
- Recognize ethical responsibilities and understand the regulations with regard to plagiarism
- The student shall start making the final draft in the last week of NTCC under the guidance of supervisor.
- Before submission of final draft to the supervisor, student shall check plagiarism at least two times using any good plagiarism software and finalize the plagiarism free final draft.
- The student shall translate the outcome of NTCC/SIL courses in the form of paper to be published in indexed journal/conference proceedings or any other form of IPR (patent, book chapter, copyright etc.)
- The student shall submit NTCC Completion Certificate to their faculty guides at the time of submission of NTCC Final report.

B. Finalization of Place to undertake NTCC / SIL Course (institution or outside in industry, research labs, other universities etc.):

- The NTCC / SIL can be done at the Institution or outside facilities as per the nature of the course/choice of student.
- The Institution NTCC / SIL Committee will decide the place of work.

C. Registration for the Course:

- The students are required to register on-line on AMIZONE for the NTCC / SIL course as per the guidelines
- Online NTCC registration forms will be visible to students on their Amizone 14 days prior to start / commencement date of their NTCC / SIL. Students can do their online registration for Non- Teaching Credit Courses / SIL without any late registration charges up to start / commencement date of their NTCC / SIL.
- The students can do their online registration with applicable NTCC / SIL late registration charges, if they have not registered on Amizone as per Calendar as under:
 - i. INR 500/- will be applicable for the concerned students up to 10 Days after the Date of Online NTCC/SIL Registration
 - ii. INR 1000/- will be applicable for the concerned students from 11th day to 15th day of the date of Online NTCC/SIL Registration

- iii. INR 2000/- will be applicable for the students concerned from 16th day to 20th day of the date of Online NTCC/SIL Registration
- iv. INR 5000/- will be applicable for the concerned students from 21st day to 30 days of Online NTCC/SIL Registration
- A student having genuine reason may be permitted to register late on the following grounds:
 - i. Ill health - provided the student has informed the institution on time and had taken sick leave from HoI.
 - ii. Student is on approved Official Duty, representing university/ institution in competitions, seminars, placements activities etc.
- The students who have not registered for the NTCC / SIL course as per regulations will not be permitted to submit any report and will be treated as having failed in the course.

D. Allocation of Faculty Guide:

- Each student shall be assigned a faculty guide for the NTCC / SIL well in advance in a formal manner depending on the number of students per faculty member, the available specialization among the faculty guides by Institution NTCC/SIL Committee.
- In case a student is undertaking NTCC / SIL outside in an industry or research lab or other university, the students will have two guides – a faculty guide from the institution and an external guide from the concerned organization. In Such cases of joint guidance, the main guide will be faculty guide.
- The allotment / allocation of supervisor shall not be left to the individual students or teacher.
- The external guide must be provided with brief guidelines for performance monitoring and assessment of the student of NTCC / SIL.
- The faculty guide from Amity University must closely interact with the external guide and monitor the progress of the student in NTCC / SIL at the host institution/ industry/ research lab etc. Faculty guide must also strengthen the relationship with the host organization of the student for future collaborative research and placement of the student in that organization.

E. Approval of Topic, Synopsis and Work Schedule:

- Student will finalize the broad area /topic, synopsis and work schedule of his / her NTCC / SIL in consultation with the faculty guide. If the student is undertaking the NTCC / SIL outside Amity, he/she will provide broad area of NTCC / SIL course at the time of Registration. However, within ten days after the registration / joining the organization, whichever is earlier, the student will work on the topic, synopsis and work Schedule of his/her project /training/ dissertation under the guidance of external supervisor and faculty guide.
- The student will send the synopsis along with work schedule duly approved and signed by external guide to his faculty guide as per the following Format:
 - i. Student Details (Name, Enrollment Number, Programme, Section)
 - ii. Faculty Guide
 - iii. Topic/Problem
 - iv. Objective(s)
 - v. Description
 - vi. Proposed Methodology
 - vii. Resources Required
 - viii. Work schedule (in consultation with faculty guide)
 - ix. References
- Student will also update the details on AMIZONE for approval of faculty guide. If faculty guide feels certain lacuna in the synopsis and work schedule, he / she will discuss with the

student/external guide and finalize same in order to meet the Course Objectives (COs) and Learning Outcomes (LOs) in accordance with Programme Learning Objectives (PLOs).

- The work / project Schedule (Project Plan) to be prepared using GANTT or PERT chart as per attached appendix.
- The area/topic, work schedule of NTCC / SIL will be approved by the Institution NTCC / SIL Committee (INC).

F. Conduct and Progress Monitoring of NTCC / SIL:

The students will undertake NTCC / SIL as per the course requirement and work schedule.

- The students will regularly report to their faculty guide for their weekly progress as per the prescribed format of Weekly Progress Report (WPR).
- The student is required to send regularly Weekly Progress Report (WPR) even if he/she is working outside Amity under the supervision of external Guide. A Sample format of WPR is attached.
- The Faculty guide shall evaluate and record the status of Weekly Progress Report (WPR) received and quality of work done on AMIZONE. Faculty guide will also give feedback to students.
- The student will also maintain a daily diary of the work done which need to be submitted to the faculty guide.
- The student will maintain the record of interaction and feedback by Faculty Guide as per the attached Appendix.

G. ASSESSMENT PLAN AND CONTINUOUS ASSESSMENT:

- The institute will define the assessment plan and tools keeping in mind the Program Learning Outcomes (PLOs), Student Learning Outcomes (SLOs) and Course objectives.
- The assessment will have clearly defined Continuous Internal Assessment and Final Assessment weightage, which have various components to assess various learning outcomes.
- The weightage of CIA and Final Assessment will be as under:

S.No.	Continuous Internal Assessment	Final Assessment	Credit Unit
1	30	70	1

The breakdown of the components and their weightage for continuous Internal Assessment(CIA) is as follows:

S.No.	Title	Marks (CIA = 30%)
1	Timely Registration	01
2	Topics & Synopsis Approval	02
3	WPRs (No. of WPR Submitted) (Satisfactory WPR)	04 04
4	Periodic Progress Review by Faculty	02
5	1st Draft on time	01
6	2nd Draft on time	01
7	Final Report (Plagiarism Report with <15% Plagiarism)	01
8	Final Report timely submission	01

9	Final Report Assessment	11
10	Research paper / Pre-presentation	02

The institution may define the weightage of each component depending upon type, learning student outcomes, level and duration of NTCC / SIL.

In case the NTCC / SIL is under joint supervision of faculty guide and external guide, the weightage of Continuous Internal Assessment will be equally divided between both the supervisors (internal faculty guide and external guide) as per following:

- The faculty guide will give the CIA marks as per the university guidelines.
- The marks provided by external guide will be converted based on the 30% weightage of CIA as per the NTCC/SIL guidelines.
- The average of marks given by faculty guide and converted marks of external guide out of 30 marks shall be treated as final CA/IA marks for NTCC / SIL.
- It is the responsibility of the student and faculty guide to ensure the external guide sends the assessment on time. In case the marks of external guide are not received the Institution NTCC / SIL Committee will review the case and put up its recommendations to HoI and CoE.

The faculty guide will assess the project report as part of IA/CA as under:

S.No.	Parameter	Weightage (11%)
1.	Introduction and Statement of the Problem	1.5
2.	Review of Literature:	1.5
3	Methodology/methods/Approach	1
4	Data Collection, Analysis, Results findings / Outcomes and conclusions	3
5	Future scope and Limitations outlined	1
6	Quality of work and written expression	2
7	Student Learning Outcomes	1

The institution/faculty of studies may define the component of report assessment as per the course objectives and student learning outcomes.

H. PLAGIARISM:

- The NTCC report must be written in student's own words. However, if required to cite the words of others, all the debts (for words, data, arguments, and ideas) must be appropriately acknowledged.
- It is mandatory that each project report shall be checked for plagiarism through Turnitin or similar software before submission. The content which is based on existing published work must come from properly quoted material and from the references cited section. After checking the accuracy of the citations and references of such content the plagiarism report should not show a similarity index of more than 15% under any circumstance. However, if the matching text is one continuous block, the index of 15% could still be considered plagiarism. Any report with higher than this percentage matching must be explained by the student. The details of copy rights, professional ethics are given in Plagiarism Prevention Policy of the University.

I. SUBMISSION OF FINAL REPORT:

The most important aspect of the courses is the final report. Therefore, the following must be ensured for producing the quality report.

- The student will start writing the internship report while doing his/her NTCC / SIL course as per the prescribed **guidelines**.
- The students will submit 1st draft of the report to the guide for guidance. Followed by the submission of 2nd draft of the report after making necessary changes as suggested by the guide. 1st Draft and 2nd Draft will be duly checked for Plagiarism with the help of open-source Anti-Plagiarism Software by the student before submitting the final draft report to the Faculty Guide.
- The final report will be submitted to Faculty Guide for checking the Plagiarism through Anti-Plagiarism software subscribed by the University. If similarity index is found more than 15%, report will not be uploaded on Amizone.
- Following will be submitted along with final report in the institution by the student:
 - WPR
 - NTCC / SIL Dairy
 - Plagiarism Report
- A student will be eligible to submit his report and final assessment provided he/she meets the following conditions:
 - Online Registration for the NTCC / SIL course
 - Approval of Topic, Synopsis and Project Plan by the guide
 - 90 % of WPR were submitted
 - 80% of the WPR were satisfactory
 - Similarity index not more than 15% as per Plagiarism Prevention Policy.

J. STUDENTS NOT MEETING THE ELIGIBILITY CRITERIA

The students who are not eligible to submit the report will re-submit the theses as per the following guidelines: Parameter	Action
Online Registration for the NTCC / SIL course not done	Re-do the NTCC / SIL
Has not taken the approval of the Topic, Synopsis and Project Plan by the faculty guide	Re-do the NTCC / SIL
< 90 % of WPRs were submitted	Penalty in Continuous Internal Assessment marks as under: 80 - 89% = 10 marks deducted 75 - < 80% = 12 marks deducted 70 - < 75% = to be permitted by Addl. Pro Vice Chancellor on recommendations of NTCC / SIL Review Committee with cap of B+ in grading or deduction of 15 marks from Continuous Internal Assessment. < 70% = Re-do the NTCC / SIL
< 80% of the WPRs were satisfactory	<80-75% = 10 marks to be deducted <75-70% = to be permitted by Addl. Pro Vice Chancellor on recommendations of a committee with cap of B+ in grading or deduction of 15 marks from Continuous Internal Assessment.
Similarity index more than 15% as per Plagiarism Prevention Policy.	If in plagiarism report the similarity index is >15%, the student is required to re-write the report/thesis provided meets all the other criteria and submit within a week of plagiarism detection, prior to due date, else the student will re-do NTCC during supplementary

	examination / relevant semester (s).
Important: • The students not meeting the eligibility criteria, shall be required to provide detailed justification for special consideration by the NTCC / SIL Review Committee. • The students re-submitting the thesis due to plagiarism shall be eligible for the grade earned by him provided he/she has submitted same at least 10 days prior to the final assessment of the batch. If the student fails to submit the revised thesis in the prescribed time, he / she shall not be awarded more than B+ grade. • The students who shall re-do the NTCC / SIL shall be awarded grade not more than B+.	

K. FINAL ASSESSMENT:

- The final assessment of NTCC / SIL needs to be done only of those students who have qualified on the basis of Conduct and progress monitoring guidelines & Submission of report/thesis guidelines as stated above.
- The Final assessment will be treated as the end semester examination. It is mandatory for the students to appear for final assessment as per scheduled date and time. If a student fails to appear in the final assessment as per schedule, he/she will be treated as absent. For such cases the same rules will be applicable as those for theory examination. The assessment of I category students will be done within one month of final assessment of the batch.
- While evaluating the NTCC / SIL, institution, faculty guide and board of evaluators will consider the following aspects:

a. Institution:

- Institutional Project Committee must check the eligibility of all the students before sending the list to CoE.
- Guidelines for the students and board of evaluators must be prepared and approved by competent authority.
- Only eligible students will be assessed as per the approved list provided by CoE board-wise & according to approved guidelines.
- Date of evaluation will be announced by CoE on the recommendations of HoI.
- A board comprising 03 members will be constituted. Two faculty members from any of the Institutions of AUUP and one service external expert from Industry / academia at the faculty guide will not be the member of the evaluation board for his/her own students.
- The institution will send the budget along with the list of external experts for assessment board to CoE for necessary approval as per the University regulations and Guidelines.
- The assessment guidelines must be provided to evaluators.
- The Format for evaluation will be provided along with the list of students, for each evaluator.
- The duly signed evaluation sheets along with attendance sheets and printout of consolidated marks from Amizone will be submitted on the same day.
- Faculty guide/ any other member of the institution will not try to influence the board evaluators for favoring /punishing any student appearing for final assessment.

b. Board of Evaluators:

- i) The board of evaluators will assess the eligible students only as per the prescribed guidelines and assessment sheets.
- ii) The evaluation will be done separately by each evaluator and a duly signed copy of same will be submitted before leaving the evaluation room.
- iii) The evaluators will be paid the honorarium as per the university policy

c. Observer

CoE may appoint an observer and submit the report as per the regulations of the University.

L. COMPONENT OF FINAL ASSESSMENT:

The breaks up (components and their weightage) of final assessment are given as under:

S. No.	Component	Marks
1	Introduction and Statement of the Problem	7
2	Review of Literature:	8
3	Methodology/methods/Approach	5
4	Data Collection, Analysis, Results findings/Outcomes and conclusions	16
5	Future scope and Limitations outlined	7
6	Quality of work and written expression	11
7	Presentation and Communications	10
8	Student Learning Outcomes	6
	Total	70

V. REPORT REQUIREMENTS

- The final report is an important component of all NTCC / SIL. Therefore, must adhere to following parameters (word length, No. of Copies, binding type etc.) depending upon the credit units associated and course objectives.
- Word length, or word equivalent, (if for instance, a practical based, practice-based and professional NTCC / SIL) should be specified in the module guide.

S. No.	CREDIT UNIT	Word length (excluding)*	No. of Copies	Binding Type	Report Retention details
1	1	Up to 2,000 words	02 copies	Spiral Bound	up to 1 month of declaration of result of semester by institution

*Word length will be exclusive of Preface Copyright Page, Faculty Guide Approval Page, Acknowledgement, Table of Contents, List of Tables, List of Figures, Certificates etc.

VI. GUIDELINES FOR WRITING THE REPORT

Language	English (unless otherwise specified in the course curriculum)
Paper size	A4
Margins	The text of the document must be justified. The left and right margin of 1.25 inches. The top and bottom margin of 1.00 inch.
Typing	On One side of page only. The text will follow line spacing of 1.5 lines. Table and figures, tabular material as necessary and appendix material as appropriate may be single space. Centered material is to be centered between the left and right margins. The first line of all paragraphs of running text will be indented 0.5inches.
Pagination	Each page must be numbered, except the Title Page. The preliminary pages—including the Copyright Page, Faculty Guide Approval Page, Acknowledgement, Table of Contents, List of Tables, List of Figures and Abstract (if any) —will be numbered with lower-case Roman numerals (ii, iii, iv,

	etc.) centered at the bottom of the page. The first page that will show a page number is page ii. All remaining pages carry consecutive numerals (1, 2, 3, etc.). The page number will be placed in the upper right-hand corner of the page, right aligned.
Arrangement of Contents	Every NTCC / SIL Project Report should have three parts: the pre pages, the main text, and the reference material. Each part has several sections, which are normally arranged in the order as discussed below. 1. Preliminary Pages: a. Title page b. Declaration c. Faculty Guide Approval page d. Acknowledgement(s) e. Table of Contents f. List of Tables g. List of Figures h. Abstract 2. Text (usually divided into chapters and sections) 3. Reference Material a. References b. Appendix

Tables and figures	Each table or figures should be placed immediately after the paragraph in which it is first mentioned. If it has a separate page, this page should be the one following the page on which the table/figure was first mentioned. Tables and figures that must be positioned horizontally (landscaped) will face the outer edge of the page, with the widest margin at the binding edge. Tables and figures are numbered in separate series. Each table and figure, including any in the appendices, has a number in its own series. Each series is numbered consecutively within chapters (e.g., Figure 10.1, Figure 10.2, and Figure 10.3). Each table and figure will be separately numbered. All titles/captions of Table & Figures will appear in the pre pages in the List of Tables and List of Figures.
<i>References</i>	In the text, give the surname and date in parentheses, e.g. (Edwards, 2010). At the end of the study, provide a section headed 'References' in which the references are listed alphabetically by family name. Include references for electronic sources of information e.g., web pages. For further detail, see Appendix 6. Any books, articles, websites or other published sources (retrievable data) that have been used (cited in the text) either in direct quotation or by reference, must be listed in the References. Personal interviews/raw data (not retrievable) do not appear in the reference list. The first line of the citation starts at the left margin and the second and subsequent lines of that citation are indented 0.5 inches. The referencing style to be used as per the forma. The format for the references shall be given separately by each faculty of Study/institution.
Appendices	Appendices contain supplementary or illustrative material or explanatory data too lengthy to be included in the text or not immediately essential to the readers' understanding of the text. Appendices should be lettered in the order in which they are referred to in the text. Each appendix will be listed with its title in the Table of Contents (e.g., APPENDIX A. <i>TITLE OF THE APPENDIX</i>).

Standard Formats

Various formats to be used as per the General Guidelines for NTCC / SIL of the University are as under:

- Format for Title Page
- Format for Declaration

- Format for Faculty Guide Certificate
- Format for Table of Contents

Annexure-1: All formats

Annexure-2: WPR Format

VII. Not submitted Report/Failed in NTCC / SIL:

- All students who are unable to submit the final NTCC / SIL report within the prescribed time or are unsuccessful in continuous internal assessment or fail in final assessment can be considered in Supplementary Examination of the Academic Session, with B+ cap (if applicable). The students will be required to:
- Submit the Application Form to his / her NTCC / SIL, Supervisor, who in turn will submit to the Institutional NTCC / SIL Review Committee. HoI will forward recommendation of the Committee to the AUUP HQ for approval.
- Pay fee of Rs. 1,000/- (Examination fee).
- Submit all reports as applicable for NTCC / SIL programme i.e., Weekly Progress Report, NTCC / SIL course diary etc., as per NTCC / SIL guidelines.
- This will be applicable only for 1st re-appear after main examination.
 - An independent viva-voce will be conducted for students under this Category. A fee of Rs.5,000/- may be charged for appearing 2nd time.

VIII. Re-doing the NTCC / SIL to improve CGPA/SGPA after the N+1 / N+2 (having re-admission period):

Students who are unable to qualify for award of Degree due to low SGPA/CGPA and want to re-do the NTCC / SIL in extended period with a view to improve SGPA/CGPA will be required to:-

- Register themselves on Amizone for re-doing the NTCC / SIL.
- Pay the Course Repeat fee of Rs. 5,000/- + Examination fee, if within N+2 or N+1 period (as applicable).
- Select new title for re-doing the NTCC / SIL.
- Submit all reports as applicable for NTCC / SIL programme i.e., Weekly Progress Report, NTCC / SIL course diary etc.
- These students if exceed N+2 as applicable (permissible duration to complete the programme) will be required to take re-admission by paying Rs. 15,000/- + 25% of the semester fee + examination fee, as applicable.
